A weekend retreat at a cozy mountain lodge is supposed to be the perfect getaway . . . but when the storm hits, no one is getting away.

It's winter in the Catskills and Mitchell's Inn, nestled deep in the woods, is the perfect setting for a relaxing - maybe even romantic - weekend away. It boasts spacious old rooms with huge woodburning fireplaces, a well-stocked wine cellar, and opportunities for cross-country skiing, snowshoeing, or just curling up with a good murder mystery.

So when the weather takes a turn for the worse, and a blizzard cuts off all electricity - and all contact with the outside world - the guests settle in and try to make the best of it.

Soon, though, one of the guests turns up dead - it looks like an accident. But when a second guest dies, everyone starts to panic.

Within the snowed-in paradise, something - or someone - is picking off the guests one by one. And there's nothing they can do but hunker down and hope they can survive the storm - and one another.
